Dear Jerry:

For all that you did for the Committee to Restore Carbondale City Hall both before and during Pioneer Days 1982, we are very much indebted to you. We are especially grateful to you for having provided us with five tickets to the Dignitaries' Luncheon in the Carbondale Area High School on August 28, 1982. It was a great pleasure for us to be present at that luncheon and to present Mayor Mancuso and the city of Carbondale with a Carbondale flag. Thank you.

Thank you, in addition, for the photograph taken during the presentation of the flag, and for the map of Carbondale that you entrusted to my care on September 24th. I picked up the map in the late afternoon on the 24th.

Sincerely,

S. Robert Powell
